

## Homework Club

At QES the Learning Support Department runs a 'Homework Club' every day from 1:15-2:00 in the main Learning Support room. We welcome all pupils requiring additional support with classwork or homework. Pupils have access to resources such as books and IT support. The Department promotes independent learning, however, there are always at least two members of staff to provide assistance at any one time. Lunch passes are available from Learning Support at the start of lunchtime and must be signed out by a member of staff.
