

Alternative Curriculum

Entry Level Certificates

At QES we offer Entry Level programmes of study to pupils who are working at a level below that required for a grade G at GCSE and they are primarily targeted at 14-16 year old pupils.

These pupils will usually have a statement for special needs and will study a specialised curriculum in order to access their chosen subjects.

The Entry Level Certificates are designed to give pupils not yet ready to take GCSE's the chance to get a qualification. The skills, knowledge and understanding acquired will be relevant and useful in both education and vocational settings.

Three levels of awards are available - Entry 1, Entry 2 and Entry 3 with Entry 3 being the most demanding.

The main Entry Level Certificates that we offer are: English, Maths and Science, however, there are a variety of other subjects that can be studied at Entry Level.
