

Help Minimise Covid Risks

Home

- Make sure that you and everyone at home is symptom free
- No temperature, no cough, no changes to senses of taste and smell
- Do not come into school if you are unwell - but let us know

- Travel here and back on school transport, or in a family car
- Do not get into a car with someone from another household

Hands Face Space

- **Always bring your mask & wear at all times**
- Wash reusable ones at the end of each day

- Stay 2 metres apart from **anyone else at all times including social times**

- Wash your hands often: on arrival, between activities, before & after eating or drinking, after visiting toilet, when leaving school
- If you can't get to soap and water, then please sanitise: bring a sanitiser

Stay in Bubbles

- **In the morning, go straight to your designated room for your "bubble"**
- Go straight there without mixing with pupils from other bubbles

- Please stay in the area designated for your bubble
- **Do not mix with anyone in a different bubble to you**
- Don't leave the school site for any reason during the school day

- Your bubble will have toilets allocated for your group only
- Go one at a time, close the lid when you flush.
- Then wash hands for 20 seconds, using steps on poster above the sink
- Keep 2m distance at all times

- If have any symptoms during the day let us know immediately

Lunch

- Remember your packed lunch, drink and snacks
- The Cafes are now closed

Leaving School

- Go straight home at the end of the day: do not mix with anyone from another household. Remember we are in a national lockdown

Please uphold our Values: Be decent to others, work hard and do your best, look out for others.
